C.A. No. 16-16S

MEMORANDUM AND ORDER

In this matter, Plaintiff Leonard C. Jefferson (“Jefferson”) filed an Application to Proceed Without Prepayment of Fees and Affidavit on January 19, 2016 (the “Application”). (Document No. 2). The Application has been referred to me for determination. 28 U.S.C. § 636(b)(1)(A); LR Cv 72. The Application contains a “Notice to Prisoner” portion which directs an incarcerated applicant to obtain a statement certified by an “appropriate institutional officer” of “all receipts, expenditures, and balances during the last six months in your institutional accounts.”

In the Application, Jefferson indicated that he is incarcerated at the Adult Correctional Institution, Cranston, R.I., that he is not currently employed at the prison, and that he receives limited income from other sources. Jefferson failed, however, to attach a certified statement of his institutional accounts.

This Court cannot determine whether Jefferson qualifies to have his Application granted in this case until the proper documentation is received. As stated in the Application, Jefferson must submit “a statement certified by the appropriate institutional officer showing all receipts, expenditures, and balances during the last six months in [his] institutional accounts.”

Jefferson must file the proper documentation concerning his inmate account on or before **February 26, 2016** or risk having his Application denied and this matter dismissed.
