	Staff vaccinations (2 nd dose)	110

Respectfully Submitted,
/s/ Daniel W. Martin
Daniel W. Martin, Warden, Donald W. Wyatt
Detention Facility

¹ N.B. This number is slightly lower than previous Status Reports because previously-reported numbers included the total number of doses given whether they were to staff, frequent vendors, or excess doses administered to avoid vaccine wastage. Going forward, the Facility will report just the number of staff vaccinated so that information can meaningfully be compared with the current number of staff (full-time, part-time, and per diem) on each Status Report.
