

UNITED STATES DISTRICT COURT
District of Rhode Island

NOTICE REGARDING BAR REGISTRATION RENEWAL PERIOD

In accordance with LR Gen 203(c)¹, members of the bar of this Court shall renew their bar registration between June 1, 2024, and August 31, 2024. The fee for 2024 has been set at \$30.

Members of the bar wishing to maintain an active bar status will renew their bar registration using the Court's Case Management/Electronic Case Files ("CM/ECF") system. Instructions for completing the bar membership renewal process will be available on the home page of our website at www.rid.uscourts.gov, on June 1, 2024. New this year is a requirement for re-registrants to complete a demographic survey prior to paying the fee and completing the process. The questions of the survey may be previewed in advance on the Court's website or by [clicking here](#). The survey is anonymous and will be used to assist the Court's efforts to tailor CLE and programing to the needs and interests of the Bar.

Members of the bar not interested in retaining an active membership will automatically move to inactive status at the closing of the renewal period. Additionally, the CM/ECF filing accounts of inactive attorneys will be deactivated, and attorneys appearing in pending cases before this Court run the risk of their appearance being withdrawn. Please note an attorney who has ceased to be a member of the bar of this Court must apply for reinstatement and remit the applicable reinstatement fees. See: LR Gen 215(a).

For questions or information pertaining to the 2024 bar membership renewal process, please visit the Court's website or contact the Clerk's Office at (401) 752-7200.
