¹ Today's data for staff was not completed as of the time of filing. It will be supplemented on October 8, 2021.

² N.B The Facility has provided the Johnson & Johnson (single-dose) vaccine in addition to the Moderna (two-dose) vaccine. Therefore, the "1st dose" and "2nd dose" numbers will never equal each other.

³ Staff vaccination totals reflect total staff vaccinated, some of whom are no longer employed by the Facility. The Facility is currently surveying its staff for confirmation of vaccination status and believes (based on confirmations and statements from staff) that approximately 144 of its current staff are vaccinated.
