¹ This Supplemental Status Report updates yesterday's *detainee* (not staff) data that was not completed as of yesterday's filing.

² N.B The Facility has provided the Johnson & Johnson (single-dose) vaccine in addition to the Moderna (two-dose) vaccine. Therefore, the "1st dose" and "2nd dose" numbers will never equal each other.

³ Staff vaccination totals reflect total staff vaccinated, some of whom are no longer employed by the Facility. The Facility is currently surveying its staff for confirmation of vaccination status and believes (based on confirmations and statements from staff) that approximately 144 of its current staff are vaccinated.

Respectfully Submitted,

/s/ Daniel W. Martin
