## WAIVER OF THE SERVICE OF SUMMONS

To: David F. Anderson, Esq.

*(Name of the plaintiff's attorney or unrepresented plaintiff)*

I have received your request to waive service of a summons in this action along with a copy of the complaint, two copies of this waiver form, and a prepaid means of returning one signed copy of the form to you.

I, or the entity I represent, agree to save the expense of serving a summons and complaint in this case.

I understand that I, or the entity I represent, will keep all defenses or objections to the lawsuit, the court's jurisdiction, and the venue of the action, but that I waive any objections to the absence of a summons or of service.

I also understand that I, or the entity I represent, must file and serve an answer or a motion under Rule 12 within 60 days from 02/13/2017, the date when this request was sent (or 90 days if it was sent outside the United States). ### Duty to Avoid Unnecessary Expenses of Serving a Summons

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

"Good cause" does *not* include a belief that the lawsuit is groundless, or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant's property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.

If you waive service, then you must, within the time specified on the waiver form, serve an answer or a motion under Rule 12 on the plaintiff and file a copy with the court. By signing and returning the waiver form, you are allowed more time to respond than if a summons had been served.

### **Diminishing Deductible - Yacht Policy**

With the exception of any applicable Named Storm deductible, the Deductible applicable to Coverage A - Boat and Boating Equipment is subject to the following amendments:

If during any policy period you do not have a loss on the insured boat for which we have paid under Coverage A - Boat and Boating Equipment, then:

1. Any Coverage A deductible shall be reduced for the following policy period by 25% of the original deductible; and
2. No Coverage A deductible will apply to the fifth consecutive policy period and thereafter if you do not have any paid losses during the four previous consecutive policy periods.

If the deductible is amended at any point, then all previous reductions will be applied to the new deductible. Losses not related to physical damage including but not limited to towing, hurricane haulouts or liability do not affect the deductible reduction.

If you have a paid loss under Coverage A - Boat and Boating Equipment, the deductible shown on the Declarations page, as amended by the diminished deductible, will be applied to the loss (except in the case of a Named Storm loss) and the deductible will be restored as listed on the Declarations page of your first policy period with us, without regard to any diminishment, for the subsequent policy period. However, if the deductible was amended after the Initial Declarations page was issued, then the amended deductible will apply at renewal. Thereafter the deductible may again be reduced if the above conditions are satisfied.

References to "original deductible", "first policy period" and "initial Declarations Page" relate to the policy period when this diminishing deductible feature was implemented.

## In The Event of A Loss

### **Actions To Take—"Sue and Labor Coverage"**

#### *A. Immediately upon a loss, you must:*

1. Take all necessary steps to protect the boat and its equipment from further loss. We will pay the reasonable costs you incur in preventing further damage ("Sue and Labor Expense") if the loss is covered under Coverage A of this policy. This Sue and Labor Coverage is in addition to those coverages noted under Coverage A. We do not cover your labor or personal expense nor any amount in excess of the agreed value.
2. Give us immediate notification of the loss and its circumstances.

#### *B. Following a loss you must:*

1. Give us the opportunity to inspect the damaged boat or equipment before it is repaired or discarded.
2. Submit a statement describing the loss and any records

needed to verify the loss, its amount, and your interest in any property damaged or lost.

3. Assume no obligation, admit no liability and incur no expense for which you or the Company may be liable without our written permission, other than reasonable expenses incurred to protect the property from further damage.

This insurance does not cover:

- A. any loss caused directly or indirectly by wear and tear, gradual deterioration, mechanical or electrical breakdown, overheating, ice or freezing, galvanic action, rot, mold or mildew, corrosion, weathering, marling, ~~scratching, denting, vermin, animals or marine life;~~ however, we will cover immediate consequential property damage resulting from any fire, explosion, sinking, demasting, collision or stranding;

If we exercise our right to acquire the insured property, you must provide all documents needed to transfer title to us. You agree to allow us to withhold an amount not to exceed 10% of the insured value until we have received these documents.

However, if the insured boat is lost absolutely, or if the reasonable cost of repair exceeds the agreed value and we declare the boat a constructive total loss and if the total or constructive total loss of the boat occurs within the first 30 consecutive months immediately after you have purchased the boat new (no prior owner or user and no more than 12 months since the manufacture date) and the boat was not purchased subject to any promotional

agreement with the dealer or manufacturer, then if you so choose we will pay to replace that boat with the same model, or if such model is not available, then to the extent possible, the same make, class, size and type including comparable equipment to the Insured boat. In either case, such replacement will be new. The most we will pay for replacement, if it exceeds the agreed value as shown on the Declarations Page, will be the lesser of 120% of that agreed value or \$150,000. If you do not choose this replacement boat coverage that is subject to the above eligibility requirements, then we will pay you the agreed value as defined by this policy.

**B. Repairs for Partial Loss**

We will pay the reasonable cost of repairs with depreciation applied to the repair or replacement of the following items: inflatable dinghies, paint and finishes, protective covers, fabric or sails. Depreciation shall also apply to outdrive units, outboard motors and gel coat beginning with the sixth year from the year of manufacture, and to internal machinery beginning with the eleventh year from the year of manufacture. No deductible will apply to these additional repair costs. The maximum that we will pay for all repairs arising out of the faulty repair is the Agreed Value shown on the Declarations Page. This coverage is limited to the types of losses covered under the policy. We reserve the right to select

the facility to perform any additional repairs.

**E. Appraisal and Dispute**

If you have met the requirements and conditions of the policy, and if the amount of a covered loss is still in dispute, you or we may demand an appraisal of such loss. Each will choose and pay a competent appraiser. The appraisers will pick a third person to settle any differences. Each will share the cost of the third appraiser equally. Each appraiser will separately state the amount of loss. The amount we will pay will be the award agreed to in writing by two of these appraisers less the applicable deductible.

**Deductible**

The applicable deductible amount shown on the Declarations Page will be subtracted from each loss. However, it will not apply in the event of a total or constructive total loss. However, in the event of any loss caused directly or indirectly by a storm named by the National
