

What Is Not Evidence

Certain things are not evidence, and you may not consider them in deciding what the facts are. I will list them for you:

1. Arguments and statements by lawyers are not evidence. The lawyers are not witnesses. What they have said in their opening statements and closing arguments, and at other times is intended to help you interpret the evidence, but it is not evidence. If the facts as you remember them differ from the way the lawyers have stated them, your memory controls.

2. Questions and objections by lawyers are not evidence. Attorneys have a duty to their clients to object when they believe a question is improper under the rules of evidence. You should not be influenced by the objection or by the court's ruling on it.

3. Testimony that has been excluded or stricken, or that you have been instructed to disregard, is not evidence and must not be considered.

4. Anything you may have seen or heard when the court was not in session is not evidence. You are to decide the case solely on the evidence received at trial.
